- Re: • Exploration of a South Carolina Competitive Procurement Program for the
Competitive Procurement of Energy and Capacity from Solar and Other
Renewable Energy Facilities by an Electrical Utility as Allowed by South
Carolina Code Section 58-41-20(E)(2) (See Directive Issued on November 25,

• **Docket 2019-365-E**

Dear Ms. Boyd:

I write on behalf of the Carolinas Clean Energy Business Association ("CCEBA"), Duke Energy Carolinas, LLC ("DEC"); Duke Energy Progress, LLC ("DEP"); and Dominion Energy South Carolina, Inc. ("DESC"); Ecoplexus Inc.; Southern Current, LLC, and Cypress Creek Renewables, (collectively, the "Interested Parties") regarding the Interested Parties' proposal for a procedural path forward in this generic docket and in utility-specific dockets related to the procurement of renewable resources as authorized under S.C. Code Ann. § 58-41-20(E)(2).

At the conclusion of the evidentiary hearing on March 9-10, 2021, CCEBA's counsel requested that the parties have an opportunity to confer and attempt to reach consensus on a proposal for a procedural path forward in this docket.

The parties have conferred regarding the appropriate procedural path forward in this matter, but have yet to reach consensus on a proposal. The Interested Parties will continue discussions and intend to file either a procedural proposal or an update on the status of discussions within two weeks from today's date (by April 6, 2021).

Respectfully Submitted,

/s/Richard L. Whitt
